Here for the benefit of your employees

The real benefits of banking with Aviate Credit Union

Founded in 1962 Aviate Credit Union Ltd is dedicated to supporting the banking and financial needs of those working in the airport area.

We lend to our members based on what they can afford, not on how much they have in savings.

Last year we approved 98% of all loan applications.

Our members have access to highly competitive rates for car loans, home improvements, debt consolidation and much more.

Our in-house loan team has a clear understanding of the aviation industry and is ready to assess member applications for a quick decision.

Aviate Credit Union is here to serve the financial needs of employees and their families.
